SCRIPTURE – MAT. 18:6-7

JANUARY, 2025

**But whoso shall offend one of these LITTLE ONES WHICH BELIEVE IN ME, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.**

**Woe unto the world because of offences! for it must needs be that offences come; BUT WOE TO THAT MAN BY WHOM THE OFFENCE COMETH!**

## SUBJECT – A WARNING TO THE DEMOCRATIC PARTY!!!

**The message for this month, has to deal with something that many ministers in the body of Christ, won't touch with a 10ft. Pole!! Especially if they happen to be black!!**

The reasons for this position are, the majority of them feel that the First Amendment of the U.S. Constitution, forbids that type of thing, when it comes to dealing with government.

Then, we have the case that many of these same preachers, benefit monetarily, or socially, from the political party they support!!

Then, we have the fact that most of them, are totally blind as to what their actions are doing, not only to themselves, but to those that listen to them.

Lastly, they have a reputation to protect. And, they will do anything they can, including destroying the lives of others, to protect it.

**Now, this message will give you, if you are interested, some insight in to how all of this plays out, in what you call, 'THE REAL WORLD!!!'**

In our subject passage of scripture, Jesus is giving those that are listening to Him, what could best be described as a stern warning. He is telling them that, in this life, things are going to occur, that will put them in a position, to respond in a manner that could cause them to fall out of favor with God.

He told them that this is only natural. The reason being, we all have an enemy, Satan, that goes about trying to destroy God's people [mankind]. **1Pet 5:8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:, John 10:10 The thief cometh not, but for to steal, and to kill,**

and to destroy:.

Now, the Devil, unlike God, is limited by God, in what He can do. However, one thing that he has almost total access to, is our minds. And it is through this avenue that he can get us to do just about whatsoever he wants us to do.

And why is this??

Because, all of us, unless we are 'saved', are his servants, thanks to Adam.

If you read what happened in the Garden of Eden, you will see that Satan, in the form of a serpent, came to Eve, and engaged her in a conversation in which he convinced her to go against what God had told them not to do.

Well, she listened to him and disobeyed God. She then got Adam to do the same thing as well.

The point to this story is, Satan will come to an individual and speak to them, through their minds, to get them to do his bidding.

In the Gospels, we find that after Jesus was baptized, He went in to the wilderness for 40 days of fasting and prayer.

After that, Satan came to Him, and tried using the same tricks and deceptions that he used on Eve. But, Jesus responded with '3 KEY WORDS', it is written!!!

**Now, what I want you to see is this!!!**

If and when God chooses to use anyone, to accomplish a certain task, and that person is following His direction, then that is when Satan will try to stop them from completing it. The more beneficial it is to mankind, the greater the resistance Satan will mount against them to stop them.

**Now, as Jesus went on to say, in the**

**subject verse 6, any thing, or anyone specifically, that poses a barrier, threat, or mounts and attack on this person, would be better off, if they were drowned in the depths of the sea.**

What happens when a person is drowned in the depth of the sea?? First of all it is a terrifying way to die. Next, because of the location, and having the millstone around their necks, they will not be found, meaning they can't be buried. That means that loved ones can't come and visit their grave.

Then we have the idea that the creatures of the sea, will probably devour their bodies, and others will make homes in their skeletons.

And Jesus says this would be better for them than what will happen to them for attacking His[God's/Christ's] servant.

**Now you might be wondering why I chose the title that I did!!**

It is simple, if ever there were any individual, or group of individuals who fit the bill as to what I just got through describing as enemies of God, and His [Servants/Children], then this group wins the prize, hands down!!!

If you were to closely examine everything that God says is what needs to be eliminated from the earth, as far as sinful behavior goes, this group of people go out of their way to support those that are involved in it, so that they can keep on doing it. If anyone stands up and calls it what it is, or takes steps to get rid of it, this group will attack them.

The same thing goes for those that stand up to support those things that God says needs to be supported.

In short, they have proven themselves to be an enemy to all mankind, as well as God.

**Now the question is, how did they get to be**

## in this position???

Remember at the beginning of this message, I started out talking about 'preachers', especially in the black community???

That is your answer!!

You see, Satan knows this, if you violate God's Commandments, you are going to suffer. And, if you are suffering, you will become desperate to find some way to ease or eliminate that suffering.

Now, in the mind of most individuals, depending on what form that suffering takes, physical, mental or financial, ultimately there are only 2 ways to get it. One is from God, and the other is the Devil.

In order to get something from God, you most likely have to adhere to His directions for your life. Those instructions might be turning away from some sort of sinful activity that you are engaged in, that may have been the reason for your problem.

With Satan, the problem could be solved if you will do as he, Satan desires you to do, which is keep doing what you are doing, and attack those that stand up against him.

**This is tantamount to selling your soul to the Devil. Of course, if you are not saved, he already has you. In that case, he wants you to go deeper in to the battle against God.**

Now the point is, any preacher, that is a pastor, should know this. And with that being the case, should want to steer his 'flock' away from anything that smells of this type of behavior.

But, if he is looking out for himself, and his interests, then, the congregation will be misled in to believing that there is nothing wrong in supporting one of these candidates that the Democratic party sends to their church to campaign.

I get asked many times about the Republican party, and my response is this.

**Since no one is perfect among us, then that means God has to use imperfect people to accomplish His Perfect Goal.**

With that being the case, then you have to know, when you have a choice between 2 [evils/imperfect individuals], and you have to choose 1, you need to choose the 1 that is the lesser of the 2 [imperfect individuals/evils.]

Or another way to put it is, choose the 1 that is closer to being what God says His Children need to be.

In both cases, if you choose the other individual, you are moving away from God, and not to Him.

Notice, in the subject scripture, Jesus refers to **'LITTLE ONES WHICH BELIEVE IN ME.'**

This means that they follow His directions for their lives. They do what He wants them to do.

**This past election cycle was a glaring example of what an all out attack from Satan can entail.**

You had Joe Biden, and then Kamala Harris, both of which are, probably good people at heart, who claimed to be standing up for the poor, the down-trodden, and marginalized. Both are Democrats.

The other side had Donald Trump. Here is a man that many took offense to, because he is a billionaire, and as such, was not beholden to any special interest groups or corporations.

His campaign style rubbed many people the wrong way, because he was not politically-correct. He called things as he saw them. He didn't bite his tongue, to get along with people.

He made his intentions perfectly clear as to what he was going to do. In other-words, you want someone to be transparent?? You have him.

Of course, this didn't sit well with the Democrats, because, in their minds, he was a racist, misogynist, and was only looking out for himself, and his rich buddies.

Now just to remind you, he had already been president for 1 term.

During that term, the Democrats did everything in their power to get rid of him, legally.

They falsely accused him of things that got him impeached. They had people sue him, for various crimes, all in an attempt to, if not get him removed from office, to keep him from being re-elected for another term.

With all of these accusations directed at him, what did he do?? Well, Like Jesus, the apostles, Paul, Daniel, the 3 Hebrew boys, Joseph and others, nothing.

He just went about doing what God had called him to do.

Why do I say 'what God directed him to do???' Because he put in place the mechanism which led to the single biggest offensive action that mankind could ever mount against God, abortion.

That was the Democrat's most sacred-cow. That is the measuring stick that they used to

either support or reject a judge to a Federal Court Bench.

When they lost that, they went ballistic.

Then in 2020, when he ran for a second term, they stole the election.

Then, in 2024, he runs again, and they try to kill him, and he wins.

Now, I will say this. I believe most Democrats are good God-fearing people. The problem is, when they go to church, if the pastor doesn't relay the message to them about the consequences of sin, and the need for them to abandon it, then, in their minds, they aren't doing anything wrong.

**This especially holds true for black preachers.**

The influence the black community has in the Democratic party, is monumental. The majority of Democrat politicians know that if they don't get the black community to support them, they will lose. And who is it that influences the black community in who to vote for??? Black preachers.

Therefore, since the Democratic party, and its positions on moral issues, is the cause of this nation's problems, and the black community is responsible for what the Democrats are doing, then, in the end, the black preacher is responsible for the whole thing.

**So, given that scenario, who do you think God's wrath is going to fall on first?? The black community, and its leadership!!!**

So, the black community ends up suffering, and where do they go for solutions?? Those same black preachers and the Democratic party, who blame the Republicans and Donald Trump for their problems.

Quite frankly, I was pleasantly surprised at the outcome of the election on Nov.5. Not only that Trump won, but how quickly he reached the 270 electoral votes, and how he won all the swing states, and the popular vote as well.

These things tell me that God had a hand in the outcome, as well as all of what happened to him during this recent campaign, talking about the assassination attempt.

**The 'left' is trying to figure out what went wrong.** Unless they get their heads out of the sand, and change course, they are going to feel the full effect of what it means to be on the wrong side of God's Mercy and Grace!!

**Heb 10:31 It is a fearful thing to fall into the hands of the living God.**

Which side do you really want to be on???

## AMERICA, IS AT THE 'CROSSROADS' FOLLOWING NOVEMBER 5TH!!!

Well, here we are, starting out a brand new year, with the anticipation of a new administration in Washington, as Donald J. Trump, is set to take control on the 21<sup>st</sup> of this month.

First of all, to all of you, here's hoping you and yours had a merry Christmas, and that this year will see you filled with the joy that can only come about when people that are of a mindset of putting God, and country first, rule.

For too long, we have had people in leadership in this nation, on all levels, that, in spite of what they proclaimed, were actually looking out for what was in their own best interest. **The rest of us, be damned.**

**This is the predominate mentality of the 'left', and its supporters in this nation.**

These people didn't care about anyone, or anything, if it did not fit into their agenda. **And that included Jesus Christ/Christianity.**

The only time they went along with those that claimed to be Christians, is when they, those Christians, sided with what they, 'the left' were attempting to do.

It was not that difficult for them to find Christians like this, because they, 'the left' paid preachers, especially in the black community, to, in effect, go against Biblical teachings and principles, just so that they, these preachers could enrich themselves, while at the same time, completely ignoring what God has to say about the things 'the left' promotes.

**Quite simply put, 'the left', their supporters, and these preachers, were actually engaging in an open warfare of sorts, against God!! A battle that was doomed from 'jump street!!'**

During past election cycles, 'the left', was able to manipulate its followers, and most of the American people, to believe that they, were the ones that stood for what was supposed to be the high-moral ground. They were about leveling the playing field so to speak so that everyone had a voice in how this country was run.

The problem is, that vision, though honorable, failed to consider something that 'the right' always looks at, and that is **'what does God have to say about they want to do!!'**

The minute someone brings up anything that even smells like Bible principles, 'the left', will scream that 'the right', is being divisive, and that is not what Christianity is supposed to be about. We are supposed to be showing the Love of God, for our fellow man. We are supposed to be about unifying the nation, and not tearing it apart, is what they say.

**Yet, if we look at just exactly what the Bible has to say about what 'showing the Love of God, entails, and how a people, or nation are to come together, 'the left' are, what you could say, 180 degrees out of phase with God.**

If a nation is going to be unified, so that it, and its people will prosper then, it has to be unified under God's

direction.

Next, it can't achieve that, unless God opens up His Blessings to it. Man can't do something if God has the door shut to him in this area.

Prior to last November, everyone was assuming that the outcome of the election was going to be extremely close, but most of 'the left', were sure their candidate would come out victorious. Donald Trump, was a convicted felon [39 counts], he was divisive [primarily he held to basic Biblical principles], and he threatened to shake up the status-quo, if he got elected.

During his campaign, he was shot once, in a failed assassination attempt, and twice, shooters were caught, setting up their positions to try to kill him again.

**This is what 'the left' does, when they run out of options in trying to get rid of someone they don't like, or is a threat to them and their agenda.**

They did it to **Abraham Lincoln**. They did it to **John F. Kennedy**, and later, his brother **Robert**. They did it to **Rev. Dr. Martin Luther King Jr.**, and they did it to **Malcolm X**.

The reason I say this is, if you go back, and look at the key positions that each of these men took on moral, and economic issues, you will find that the Democratic party, embraces the opposite sides of those issues. Yet, in the cases of MLK, and Malcolm X, blacks, that hold these men in high-esteem, overwhelmingly support this party, almost exclusively. This is usually due to the leadership of those paid black preachers I mentioned earlier.

**The Democratic party, is able to do what it does because of one key factor. The ignorance of the voters that support it. If you are being lied to, and made a fool of, and no one is telling you that, you will believe it, unless you find some other sources of information to counter that.**

But, if black leadership puts it in your mind that those other sources are 'racist', or 'rewriting history', or are just plain making things up, and these are people that you wholeheartedly trust then, you will not seek out those other sources.

However, there are always books, and other reading material that present the 'truth' of which party is responsible for the condition of the black community, and how.

However, if a person is unable to read, or understand what they are reading, then, all the books in the world won't help. And just how could a person end up in this type of condition?? Because the public educational system in this nation that the 'left' primarily has control over, especially in those areas of this nation that have high concentrations of blacks, is purposely under-educating them, and their kids.

It is interesting that the majority of these schools, are producing graduates from high school [12<sup>th</sup> grade], that can barely read, write and do math at an 8<sup>th</sup> grade level. When parents want to move their children to better performing schools in what are usually called 'white' schools, or even to parochial schools, they are led to believe they can't do that because that would be taking money away from the schools in the black neighborhoods. Beside that, most of them would not be able to afford it because they would still have to pay taxes to the city to fund the schools in their neighborhoods. Unless they moved out of the city to those areas.

That way, the 'left' can keep control over the black community, by keeping control over where we can send our kids for their education. At the same time, blacks are getting further and further behind due to the indoctrination that goes on in these schools, that says, any opposition to what the 'left' is doing, means that the 'right' is trying to use 'racist' tactics to divide the black community and that we need to stick together..

The tactics that the 'left' is using, are the fundamental tactics that their forefathers, the slave owners of the past used to keep their slaves under control.

Last November 5, seemed to show that a lot of blacks woke up to what the 'left' had been doing to them, and decided to, in effect, **'leave the plantation!'**

I believe God, has shown the 'light' on what the 'left' was doing, and many blacks decided to change direction.

Now this is not saying that every person in the Democratic party, or those that follow them, have evil intentions towards those that disagree with them.

However, most follow the lead of someone that they hold in high esteem, like their pastor, or some organization that they feel that they can trust. Therefore, if these people tell them to vote a certain way, they will usually do it, without question.

When people put this type of faith and trust in to an individual, an organization or even a church, they are making them, their god!! And that means, they have entered in to a state of idolatry. **Idolatry is when you put a person in the position over your life, that is supposed to be occupied by God.** It is He that you are supposed to put all your trust and faith in, not man!!

This especially holds true when you are being directed to join in with/or do, something that goes contrary to God's direction.

**America, and especially the black community is in the position it is in, because of a church [preachers], that are either totally ignorant as to what God has to say about moral issues in this nation, or, they are deliberately ignoring Him, because they want money, influence and fame, among the people.**

Whatever the leadership of the Democratic party tells them to do, they do it. For a price of course. The result is, if a man of God throws his support behind a candidate then, everyone will be thinking that God supports that candidate, and what they stand for.

As a result, the people will go out and support that candidate, not knowing that they are supporting a war on God. And thus, you have the miserable conditions that most of the black community, and many others in this nation are suffering through.

**Some might question me as to why I say nothing about the Republican party.**

Well, first of all, no one is perfect. That means all of us are falling short of the Mark, that God has set for us. But, if you look at which of the 2 parties is moving towards that Mark, and which one is moving away from it, you would see that the Republican party, is a whole lot closer to it and God, than the Democratic party.

**But, once again, don't just take what I am saying as the Truth, pick up a Bible, and read it for yourself!! You can't afford to take my word, or that of anyone else' for it.**

Your future, and your soul, inevitably are your responsibility. The Democrats aren't thinking about souls, they are thinking about money and power. That's it!!

I am sure that the Democrats are going to be doing everything they can to stop Donald Trump, like they did during his first term. They will never learn.

With all of what they did, and tried to do to Trump, including the assassination attempts, the felonies and everything else, and failed, I would say that God, had his back!!

**Rom 8:31 What shall we then say to these things? IF GOD BE FOR US, WHO CAN BE AGAINST US?**

At some point in time, God is going to, as they say, 'flip the script' on them, and show them up for who they really are!!! Maybe that is why they want to get rid of him???

Just a thought!!

<see back for details>

## **TOO MANY SAINTS ARE SETTLING FOR LESS THAN GOD'S BEST**

The purpose of this book, takes a look at a situation that most of those that name the Name of Christ find themselves in, during this life.

It has to do with the idea that many of them have, and that is in the area of living a lifestyle that leaves a lot to be desired. Especially when, according to God/Christ, they should be living lives, fitting for those that are Children of the King.

With all the promises that God has promised those that believe in Him, why is it, that they have not realized them?? **\$5.67**

\*\*\*\*\*

**THE WATCHMAN IS ASLEEP** - The purpose of this book, is to enlighten the reader to the reasons for all of the problems we are facing in the world, this nation, and especially the black community.

If one were willing to accept the fact that all things, no matter how small or how big, both blessing and cursing, life and death, sickness and disease, war and peace, as well as everything else you could name, is under the control of one individual/being, God, then that would be the first step in solving our problems.

The problem however is, most don't want to accept it for a variety of reasons. The main one being that those that represent this God/Jesus Christ, themselves, carry on as if He doesn't exist, or if He does, He is irrelevant when it comes to the causes and solutions that we come up with to solve those problems. **\$5.47**

\*\*\*\*\*

**GOD BLESS AMERICA???** **DON'T COUNT ON IT!!!** - There are many things that in the past, America was doing, as it was growing in to being what it is today, that, were done in such a manner that, as a parent raising their toddler, saw the little mistakes that they were making, knew that they were still learning, allowed them space to grow out of them, God did the same for this nation.

But, over the past few decades, now that we have achieved maturity, and most powerful nation status in the world, we have started to rebel, and even wage a war against the One who made us what what we were.

And with all that, we still call on Him to Bless America???

I DON'T THINK SO!!! **\$5.47**

\*\*\*\*\*

**THE DEVICES OF THE DEVIL** - The purpose of this book, is to enlighten the reader about a common threat that every human being walking the face of this earth has, and the tactics that he uses against us to destroy us.

The Bible addresses him as several different characters, but, he is still known to most of us as the Devil/Satan.

Since before man was created by God, the Devil, who was known as Lucifer, and who was the most beautiful of all the Heavenly Host, was the Angel that was tasked with leading the other Angels in the Worship of God.

But, at some point, he decided that he too should be worshiped, just like God was. He began to look on himself as being equal with God, and should be sitting with God, on His Throne.

When God created man, he saw the opportunity to get back at God, by destroying our relationship with God. **\$5.56**

\*\*\*\*\*

**LET'S TALK ABOUT SEX, BABY** - The purpose of this book, is to enlighten the reader on one of the most singular issues that all mankind has to deal with in this journey called life.

It is something that God Himself, created as a means for the human race to, as He put it, 'Be fruitful and multiply!!!'

However, it is something that has caused the downfall of individuals, governments, and nations.

We are going to take an in depth look at our old friend, or nemesis, depending on how you want to look at it, 'SEX!!' **\$6.50**
