SCRIPTURE – Matthew 15:14, 2 Timothy 3:5 [KJV]

JUNE, 2024

Let them alone: they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch. Having a form of godliness, but denying the power thereof: from such turn away.

SUBJECT – THE BLACK COMMUNITY NEEDS 'NEW LEADERSHIP!!' [2]

Last month, when I left off, I had been addressing how that, because of the leadership that we have today, we find ourselves in the position we are in.

Let me go further in to details, so you can see for yourself, what I am talking about.

I had been saying that, because of the 'religious leadership', that we have in our community today, we are unwittingly, in most cases, siding with those that are our enemies. By that I mean, they are getting us to join them in their '**war against God/Christ!!**'

And it can't be overstated enough, that in so doing, you are engaging in a battle, which is not really a battle, because there is no chance for you to even mount any type of offense, that would come near to being considered a threat, against God.

All He really has to do, is not allow you to take another breath, and you are done!!

But, that wouldn't be punishment enough for most of you, because He wants to make an example out of you, just as He has done in the old-testament times, when dealing, not with His enemies, per se, but His people, so that those that observe you, won't be inclined to make the same mistakes you did.

In the book of **Hosea 4:6** God makes something abundantly clear, and that is '**My people are destroyed for lack of knowledge: BECAUSE THOU HAST REJECTED KNOWLEDGE, I will also reject thee, that THOU SHALT BE NO PRIEST TO ME: seeing THOU HAST FORGOTTEN THE LAW OF THY GOD, I WILL ALSO FORGET THY CHILDREN.**

First He says, **His people are destroyed for lack of knowledge.**

What He is saying is that, those that He

considers His anointed messengers, are being destroyed, because of their ignorance of Him, and His ways!!

Now, back then, there was very little means, short of word of mouth, about the Lord, and His Ways, talking about who He is, what He likes and dislikes, and what the consequences of pleasing Him, or displeasing Him would be.

God, would be totally unfair if He punished us for something that we were doing wrong, if He did not tell us in advance of what the Rules were.

So, He did that, when He gave Adam the Rule about the tree in the middle of the Garden that they were not to eat of. He then gave Moses His Commandments, to give to the children of Israel!! Along with those, He set certain actions that were to be taken when someone violated those commandments.

Now, depending on what the offense was, the punishment to be meted out, was anything from banishment from the camp for a day or longer, up to being put to death.

The lesson to be learned back then was, and, today is, even though sin, is sin, there were differing degrees of sin, which called for differing degrees of punishment. Just like today, crime is crime. However, there are differing degrees and classifications of crime, and as such, differing degrees of punishments.

If a person stole \$100.00, and another person murdered someone, in cold blood, and both got caught and were found guilty in a court of law, you wouldn't expect the thief to be given the same sentence as the murderer, or vice-versa, would you?

Well, that is the same way God deals with us.

So, the Rules have been set.

According to Him, these Rules, need to be relayed to the people, so that they will know how to conduct themselves.

In order for that to happen, God uses a specific group of people to accomplish this. These are His Anointed Priests[Preachers].

These are people who have been, as it could be said, Certified by God/Jesus Christ, to be able to speak for, and, demonstrate the Power of God! They have His Stamp of Approval!!

Even with this being the case, if they don't follow the Rules that He has given them to follow, He will Revoke that Certification. At that time, they will no longer be able to hear from Him until such time as they repent.

This is where we get in to the next part of the scripture where it says, '**BECAUSE THOU HAST REJECTED KNOWLEDGE, I will also reject thee, that THOU SHALT BE NO PRIEST TO ME:**'

The key to this is, they rejected knowledge, meaning they were warned by Him, and chose to go against Him.

Now, right on the heels of that, God issues the punishment when He says, '**seeing THOU HAST FORGOTTEN THE LAW OF THY GOD, I WILL ALSO FORGET THY CHILDREN.**

This then, gets us to the meat of this message, and why I say 'the black community needs new leadership!!'

If we have leadership that is not in-line with God, then, as the first scripture in our subject scriptures says, they are blind!! They don't know what is Right and Wrong, in His Sight!!

When a person is blind to the Ways of God, then, anything they say or do, is essentially their own feelings about the issue they are addressing. And depending on the issue, the consequences could spell disaster. I am

talking about God's Moral Laws!!

People in this position [not hearing from God], that happen to carry the title Bishop, Reverend, Doctor, Evangelist, or whatever else that is used to identify them as men/women of God, are the most dangerous people that there are.

Why?? Because, what they say and do, will influence more souls to be lost for eternity, because they are giving out the wrong advice.

Going back decades, whenever anything that has to do with Morality, as defined by God, these people will side with the perpetrators of immorality, and accuse those that stand against them as being the ones that are immoral.

A good example is their stance on abortion, and capital punishment.

In Gen. 9:6, God instituted what we call today 'capital punishment!!'

All over this nation, black leadership has taken the stance that it 'capital punishment' is immoral!! What they are saying then is, '**God is Immoral!!'**

Mind you now, it was instituted to deal with those people that were guilty of murder [first-degree, premeditated]. That meant that the guilty person, deliberately set out to kill their victim!

Now, at the same time, they support a woman's right to, with the help of an abortionist, cold-bloodedly murder the baby in her womb. And how do they justify this?? By saying it is not human, it is a fetus!!

But wait a minute!!! If a person kills a pregnant woman, they are usually charged with the killing of 2 people!!

Do you see the lunacy that is going on here???

This is what happens when you have no direction from God. You end up making a total fool out of yourself. And since it is people like this that over 90 percent of our community listens to, then, you can see our problem!!

As I said in part one, when people want to criticize me for 'airing our dirty laundry' in public, I have to tell you, it is already out there with all the bells and whistles, drawing attention to itself!!

But then, God gives this stark warning, that because of this, He says, **I WILL ALSO FORGET THY CHILDREN.**

Now you know, if anything, we would want God to prosper and Bless our children, and their children, and their children and so on!!

However, because of our actions, as directed by these 'religious leaders', that isn't going to happen.

Why should God Bless and Protect your children, when, at the same time, you support the killing of someone else's children?? Not to mention that these are God's Babies that are being killed!!

Without His protection, your kids are left at the mercy of the Devil, to destroy them. And, that is exactly what he is doing.

Since the black community is the #1 supporter of this abomination, then it stands to reason why your kids are the #1 victims of shootings, accidents, drug overdoses, suicides, deaths to diseases that others survive and other things that reveal how bad our problems are.

As I have said in the past, this is not systemic racism, as many of you want to call it, it is God fulfilling His Word on your kids.

And, when I say 'kids', I am not only talking about the young people. If you are 60+ years old, and you have grown children, this applies to them as well.

So, here you are, engaging in an open warfare with God, and when He lowers the hammer on you, you look to your leaders, and to cover their behinds, they feed you the old 'racism, GOP, Trump, Bush' line!! And you fall for it, hook, line and sinker!!

Everyone outside of our community can see it, but, you don't!! Then you want to run around protesting how you don't get any respect!

Listen, in order to get some respect, you have to first, respect yourself! Then, you will be able to respect others, which, in turn will get you respect!

But no!!! That would mean that you, and/or your leaders were wrong, and that couldn't be. **We are the smartest people in the world!!** We are the descendants of the kings and queens of Africa!!

The thing is, you keep falling for the line that your leaders feed you so that you will continue to follow what they say, without question.

They are playing to your ego!! And since they are delivering those all important votes to the pro-abortion politicians, they get enriched with money, favors and other perks, to keep you supporting them, to the destruction of yourselves, and your children.

If you like that position, then, you are the

biggest fools to hit the pike. Especially when, at the same time, you claim to be a Christian!!

How are you going to claim to be a follower of Jesus Christ, while at the same time, support everything that He says we should be standing against??

Now, I only addressed abortion in this message because it is the single biggest offense against God that there is. And, that alone, is enough for Him to destroy this nation.

We do have the gay-rights/marriage issue, separation of Church and state, affirmative action, all of which God rejects, but these 'religious leaders' support.

They may claim that they don't support them but, if they support the party that does, then, they support them by default.

However, abortion is the main issue that you need to be concerned with.

In 2022, the SCOTUS, overturned the 50 year old Right to abortion ruling, which was a step in the right direction for this nation, in relation to God.

Ever since then, the pro-abortion bunch, marshalling all their people, with this president vowing to make abortion, once again the law of the land. And backing him, once again, are those 'black preachers!!'

He can come in to their churches, and speak to their congregations, telling them what is at stake, and they will listen and fall in line.

He will tell them, that the former president, his opponent, is a threat to women everywhere because he wants to further restrict a women's right to kill their babies.

Now while I am not all that enthused with him, when it comes to him, or killing babies, he Trump, is the obvious choice!!

And those that choose to attack and persecute him, remember, He is doing the right thing, in the eyes of God, when it comes to this and other moral issues. Persecuting him, is just like persecuting God. And there is a price to pay.

Listen, are you worried about looking like a traitor to your race, or a fool?? In the eyes of others in our community, that is highly likely. But, consider the alternative. You definitely wouldn't want to look like a fool in the eyes of the One, who, can destroy you, and your soul, in hell!!

So, when it comes to this present leadership, do what the scripture says, and, **turn away!!**

I will close next month!!

'JUNETEENTH' BLACK INDEPENDENCE DAY?? REALLY???

On the 19th of this month, the black community in this nation, will celebrate the national holiday known as 'Juneteenth!'

It is so named because, it is the day that the final slaves that were still in bondage, after the 'Civil War' ended, were emancipated. This came some time after the war had ended, and the Emancipation Proclamation, was signed in to law. The time period was 2 – 3 years after.

Anyway, this date represents what figuratively is known as the official end of slavery in this nation. And, it was made a national holiday, in 2021. Prior to that, there were minor celebrations scattered around the country, in some black churches.

Now, the whole idea about this day, is that it is something to be celebrated, by those of us that are descendants of slaves, and the struggles they went through to clear the way for our freedoms that we enjoy today.

For that, all of us owe them a debt of gratitude.

However, the thing that annoys me about this celebration is that, despite what it represents, it is not the reality of our lives and condition today!!

You see, while we go around celebrating our emancipation [freedom from slavery], we are not really free, but rather have graduated from one type of slavery, to a more sophisticated form of it. And, behind it, is the exact same group of people, that held us in bondage over 400 years.

The only thing that has changed is that with few exceptions, gone are the lynchings, beatings, being drawn-and-quartered, and other means of torture, and instilling the fear of God in our people. Today, the single biggest tool used by these people, is one that serves to make slaves out of anyone affected with it. That tool is ignorance!!

Back in 1712, a former slave owner from the West Indies, educated the slave owners of that time, on a process that he said, if implemented correctly, would do several things.

First and foremost, it would essentially cut down the number of slaves having to be lynched for running away from the plantation. This cost the owners money, in that they had to pay someone to find the slave and bring them back. **If the slave were killed, then that was a waste of money spent, when the slave was purchased.**

If another slave owner captured the slave, he could claim him as his own, or return him to his owner, if he knew who he was.

The next thing was, the owner had to put the slave in such a position that the slave would essentially grow to trust his master, more than he would others of his own kind. **In other words, break up the unity that the slaves had with each other.**

The other thing was to keep their slaves physically strong, but mentally weak!! **The phrase he uses was, 'keep**

the body, but destroy the mind!!'

These are but a few of the things that were taught to them. For more information, go online and google 'The Willy Lynch Letters'. Or, if you go to this ministry's website, listed above, look in the right column about middle ways the page, and you will see some links for 'free books!' **Look for the one entitled 'Had, Hoodwinked and Bamboozled.....!'** You can download it free of charge[PDF].

Now, my point is this. This man told them that if they followed his directions, then this program would serve them, and their descendants for 300 years.

Now think about this, 300 years from 1712, is 2012!! And here we are in 2024. That's 312 years. And here we are, as I mentioned earlier, still in bondage to the same group of people, with the exact same mentality, of their forefathers, and using this same program to keep us in servitude to them

In case you don't know who I am talking about, I am talking about liberal Democrats.

Think I'm blowing smoke?? What party does over 90 percent of our community support??? What party has us afraid to venture off of their 'plantation' seeking a better life with the other political party? What party, even though we have supported them for over 60 years, has never done anything for us except provide us with government programs to help us survive, and not thrive??? What party was behind the assassinations of those in our community, that were leading us out of this misery, to prosperity?? What party, when we started getting ahead by working manual labor on assembly lines, and other good paying manufacturing jobs, instituted regulations that destroyed those jobs, where most blacks were, and invited foreign automakers in to the former slave states to benefit whites??

Democrats!! And Joe Biden, in his first term as a US Senator, was one of the signors of that legislation.

And as I said earlier, over 90 percent of us are totally committed to this party!! That is a sure sign of just how ignorant we are, and how effective that program is. We were emancipated from slavery, and left the plantation. But now, we have voluntarily gone back to it, and signed on as slaves again!!!

And yet, on the 19th, we are going to celebrate what??? Being back in slavery, which is a slap in the face to all those that fought and died to achieve the freedom, that we have just thrown away!!

You might think that since they gave us the chance to have our first black president, then, that makes it okay!!

What you don't know is that the only reason he was even put up for that position, is to get him, to get you to support a certain piece of legislation you had previously rejected when Bill Clinton was in office, concerning the healthcare industry. You didn't trust him, so it was shelved. Enter Barack Obama, and the first thing he does is put it up again for reconsideration, and you wholeheartedly support it, and it became law. And, if it weren't for that, Hillary would have probably been the nominee, and not Obama!

So, in short, Obama was used, or as several black comedians put it, he was 'a puppet on a string!!' I was surprised to hear Minister Louis Farrakhan pretty much say the same thing at a conference of black leaders, on YouTube, in 2010. He said, '**Obama was selected, before he was elected!!' Check it out for yourself!!**

Another thing is, Jesse Jackson, Michael Eric Dyson, Julianne Malveaux, Cornell West, and several others were there when he said it, and none of them challenged him, because they knew he was speaking the truth. But you see, they don't tell you that, because they are probably being rewarded for delivering our votes to the Democrats.

With all of this, and more going on, the idea that somehow we believe that we are emancipated, and free, is nothing but a joke!!

It is no wonder why other races in this nation, and even blacks in other countries, want to have little or nothing to do with us. They can see what is going on with us, while we can't!!

And you know what's worse?? For those of us that call ourselves Christians, they have us so hoodwinked, that they have us supporting things that Christians should be opposing, like their **War against Christianity**. Another free book available for download on this ministry's website!!!
