**Greetings, in the Name of the Lord Jesus Christ!!**

**Here we are, just a little over 2.5 weeks before we, if we haven't already, will be heading to the polls to vote for who we want to lead us for at least the next 2 years, and at most, the next 6 years.**

Now, while I have no problem with Christians voting because, If He didn't want us to participate in this activity, then, He would not have put us in a nation where we could choose our leaders. It would be a great disservice to not only yourself, but family and others to ignore this opportunity that so many gave their lives for us to have.

However, a little overlooked part of this responsibility, is to take note of the individuals that are asking for your support, and what their overall agenda is.

**One particular party, and its candidates, from the perspective of the knowledgeable Christian, are on a path, that is at total odds with what the mission of Christianity is supposed to be about. That mission is to bring man and God, back together.**

This party essentially is on a path that leads people in to direct conflict with Him, which in turn, is taking man away from Him.

There are certain things like abortion, gay-rights/marriage, affirmative action, and separation of church and state, which, no Christian should be supporting, because these things strike at the core of the teachings of Christ!!

We must remember that God has addressed each of these issues, and lets us know what the consequences are for those involved in them, and they are not good.

**But, supporters of this party, plus its members, don't want to hear it.**

Therefore, if someone stands up a attempts to point this out, they are attacked as being 'religious zealots [the religious right]', homophobes, mounting an attack on women, and being 'racist[white supremacists] if they are white, and sellouts[uncle Toms], if they happen to be black.

Now, as bad as this is, what's worse is when you have people that call themselves Christians, supporting this party, and participating in these attacks, on their brothers/sisters in Christ!! Actions like this are not only harmful to the cause of Christ, but are also downright dangerous.

Let us not forget what Jesus said in **Luke 17:2 It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones.**

In short, when someone is standing on the Word of God, and someone attacks them either verbally, or physically, they are setting themselves up for trouble, from God. **Rom 12:19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith**

**the Lord.**

That's right, those that engage in defaming, spreading rumors, making innuendos, or doing any other thing that makes the person[messenger] feel under attack, will have to deal with God's wrath on their lives.

For the record, because I know some will be asking the question on what about the person attacking those Christians that support this party???

Well, it all boils down to whether or not the person is telling the truth about what they are doing, and if what they are doing is something God approves of.

What Christians need to be concerned about is, **'what will God's response be to the results of this vote??'**

**Remember, God has destroyed nations in the past that were guilty of far less than what this nation is guilty of.**

God's Grace, is what is keeping us from suffering the same fate as those nations. However, after this election cycle, where the question is up to the people, and not the court, as to whether we want to continue killing the most innocent among us, the babies in the womb, gets our approval, or not.

If we choose to approve it, then, we run the risk of His Grace, running out!!

Many people, including Christians, tend to believe that curses, and vengeance of God, are relegated to the old-testament. What they need to realize among other things is what Jesus Christ said. **Mat 5:17 Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil.**

Curses are all a part of the law of the old-testament, which are still in motion today!!

The black community, which to date, are the #1 supporters of this party and its policies, is a prime example that these curses are still in effect. They are the #1 supporters of abortion and the killings of over 76M babies today. How?? Look at the number of their sons and daughters that have been killed as the victims of crime, suicide, shootings, accidents, and diseases. Far above the number of other communities' losses.

If you want to support killing the unborn, God will allow the children you have with you today, to be destroyed before your eyes!! It is not systemic racism, as many are promoting, but a curse!!

**Gal 6:7 Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.**

These politicians, preachers, women, doctors and nurses that are campaigning to make abortion legal, are putting not only themselves at risk, but their families, and all that support them as well.

**It is my prayer that all that read this, will make the Right decision, on Nov. 8!!**

**Sincerely, in the Lord's Service**
